

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

May 18, 2007

Permit Number: OCRM-07-852
Permit ID: 58747

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Barbara F Kearson
C/o Steadfast Marine Services Inc
P O Box 219
St Helena Island SC 29920

LOCATION: On and adjacent to Chechessee Creek at 191 Chechessee Road, Okatie, Beaufort County, South Carolina.
TMS#: R600-010-00A-010A-0000.

WORK: The work proposed consists of making additions to an existing private dock. Proposed is a 4'x15' walkway extension on the channelward side of the existing pierhead. Off the walkway extension will be a 3'x30' catwalk leading to a 12'x12' 4-pile boatlift. The purpose for the dock additions is for the owner's private recreational use. Also, proposed is a 3.5' high by 54' long timber bulkhead. This will replace existing failed bulkhead. The purpose for the bulkhead is for erosion control.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before June 2, 2007.
